

To the Hon.^{ble} William Dummer Esq. Lieut. Governor and
Commander in Chief the Hon.^{ble} Council and House of Represen-
-tatives at their sessions in May 1727
The Petition of us the Subscribers inhabitants of the South-
-erly part of the Town of Marlborough Humbly sheweth

That whereas Divine Providence which Appoints the Bounds
and habitations of all men hath so ordered our Lots or at least
the most of us that we are at such a distance from the place
of Publick worship that our selves but especially our aged and
infirm together with our Women and little ones cannot comforta-
-bly endure the necessary travel that they are forced unto
for the attaining an opportunity at the place of Publick Worship
and likewise others whose lots although not at present so
deficent as the other aforesaid yet considering that it is but a
point of Christian duty and charity to compassionate the
Circumstances of such and having also obtained a vote of the
Town of Marlborough in our favour to be set of as a^a separte Town
by such bounds as is Described by the vote of the Town & the plan
herewith annexed and likewise for a farther manifestation of the
aforesaid Town of Marlboroughs good will towards us in the matter
have by their vote directed their select men to sign or order an
assignment with us as petitioners to this Honourable Court upon
upon the consideration of the whole we have some reason to
think Providence favours the matter and have hope of a blessing
Wherefore we humbly petition this Honourable Court that we the
Inhabitantes of the afores^d southerly part of the Town of Marlborough
being about fifty families already settled with some preparation for
more may be set of by such bounds as described by the afores^d vote of
the Town for setting us of & more fully set forth in the plan herewith
annexed & with the Land may be incorporated into a Town
and enjoy all immunities Priviledges Rights & power as other Towns
within this Province have and do by Law enjoy & we your
Humble Petitioners as in Duty bound shall ever pray

Persuant to a Vote of the Town of
Marlborough bearing date June 12. 1727
Directing the major part of the Select
or the whole of them to sign a petition
to the General Court with the
Inhabitantes of Stony brook being the
southerly part of the Town for a
confirmation of the same
